Ignite Your Love of Learning

SMALL CLASS SIZES

It has been proven that students learn faster and perform better in smaller classes.

MUSIC, P.E., ART & S.T.E.M.

These classes make students feel that their interests and talents are valued, as well as, exposes them to a variety of different areas.

1:1 TECHNOLOGY

There is no question that our world is becoming increasingly driven and reliant on technology. Using technology in school will help students master many of the skills they'll need to be successful in the future.

LEVEL UP PROGRAM

Our LevelUP Program serves grades 5th - 8th. In addition to core subject academics, students learn leadership, character and life skills as members of a House System.

FAMILY ENVIRONMENT

We hold many family events throughout the school year created and implemented by our passionate and dedicated staff of educators. These events are designed to promote student engagement, and build a positive school community.

AFTER SCHOOL CLUBS

After school clubs and activities are offered in a variety of interests.
